

July 12, 2005

Dear MHA Member:

Enclosed are the meeting announcement, registration form, and call for papers for the 18th annual meeting of the Missouri Herpetological Association. The meeting this year will again be held at the Reis Biological Station near Steelville, Missouri (see attached map).

If you are planning to present a paper or co-author a paper, I will need a typed abstract on the day of the meeting. This is important so we can get the newsletter out on time.

Those planning to present a paper must fill out the enclosed form and return to me by 9 September 2005.

Typically the presentations last until 5:30 PM. However, this will depend on the number of papers, as well as other MHA business that needs to be addressed.

If you have any questions, please feel free to contact me by phone (573/522-4115 ext. 3201) or e-mail at:

Jeff.Briggler@mdc.mo.gov. I look forward to seeing you at the meeting.

Sincerely,

Jeff Briggler
Herpetologist
Missouri Department of Conservation
