

# MISSOURI HERPETOLOGICAL ASSOCIATION

19<sup>TH</sup> Annual Meeting  
30 September – 01 October 2006  
Reis Biological Station

## PAPER SESSION

Time	Author(s)	Institution	Paper Title
1:15	Noah Gordon* and H. Carl Gerhardt.	University of Missouri, Columbia.	<b>Are sampling, handling and marking techniques stressful for amphibians? A test with the gray treefrog, <i>Hyla versicolor</i>.</b>
1:30	Chris Shulse* and Ray Semlitsch.	University of Missouri, Columbia.	<b>Interagency wetlands guidance utilizing amphibian health indicators.</b>
1:45	Alicia Mathis* and Nathan Windel.	Missouri State University, Springfield.	<b>Learning by embryos: experience with predatory cues in the egg stage influences post-hatching behavior of salamanders.</b>
2:00	Wade Ryberg.	Washington University, St. Louis.	<b>The relative roles of biotic and abiotic factors in determining the distribution and abundance of fence lizards in Missouri glades.</b>
2:15	Jessica Gatewood and Brian Greene*.	Missouri State University, Springfield.	<b>Diet Composition of a stream-associated cottonmouth (<i>Agkistrodon piscivorus</i>) population in southwest Missouri.</b>
2:30	BREAK---Group Photograph		
3:00	Brad M. Glorioso* and Vincent A. Cobb.	Jackson, MO.	<b>Population ecology and feeding activity of <i>Sternotherus odoratus</i> at Reelfoot Lake, Tennessee.</b>
3:15	Samantha S. Wisniewski* and Robert D. Aldridge.	Saint Louis University, St. Louis.	<b>Multi-year comparison of the male reproductive biology of the brown treesnake (<i>Boiga irregularis</i>).</b>
3:30	Robert D. Aldridge*.	Saint Louis University, St. Louis.	<b>Mating behavior and evacuation of the urinary ducts in captive African brown house snakes (<i>Lamprophis fuliginosus</i>).</b>
3:45	Benjamin C. Jellen* and Mathew J. Kowalski.	Saint Louis University, St. Louis and Western Pennsylvania Conservancy, Pittsburgh.	<b>Movements and growth of neonate eastern massasaugas (<i>Sistrurus catenatus</i>).</b>
4:00	Jeffrey T. Briggler*.	Missouri Department of Conservation, Jefferson City.	<b>State Wildlife Grants and important herpetofauna areas.</b>
4:30	Business Meeting and Discussions		

\* Indicates presenter

**Informal evening slide show (after dark):** Carl Gerhardt, University of Missouri, Columbia.  
**Herpetofauna of SW United States and Australia.**
