

Dear MHA Member:

Enclosed are the meeting announcement, registration and call for papers for the 20th annual meeting of the Missouri Herpetological Association. The meeting this year will be held at the Missouri State University Bull Shoals Field Station near Kirbyville, Missouri.

Those planning to present a paper must fill out and return the attached registration form to me by 14 September 2007. Beginning this year abstracts will be submitted along with your registration.

The meeting will begin at 1:00 and typically the presentations last until 5:30 pm. However, this will depend on the number of papers, as well as other MHA business that needs to be addressed. To honor our 20th anniversary Jeff Ettling will talk about the conservation efforts of the St. Louis Zoo Saturday night following the potluck dinner.

If you have any questions, please feel free to contact me by phone (573/522-4115 ext. 3201) or e-mail at: <Jeff.Briggler@mdc.mo.gov>. I look forward to seeing you at the meeting.

Sincerely,

Jeff Briggler
Herpetologist
Missouri Department of Conservation
