

August 14, 2017

Dear MHA Member:

Enclosed are the meeting announcement and call for papers for the 30th annual meeting of the Missouri Herpetological Association. The meeting this year will again be held at the Reis Biological Station near Steeleville, Missouri on September 16-17, 2017.

Those planning to present a paper must fill out and return the attached registration form to me by Friday, 8 September 2017. Please submit your abstract electronically along with your registration form.

The meeting will begin at 1:00 and typically the presentations last until 5:30 pm. However, this will depend on the number of papers, as well as other MHA business that needs to be addressed. A potluck dinner will follow the presentations.

If you have any questions, please feel free to contact me by phone (573/522-4115 ext. 3201) or e-mail at: Jeff.Briggler@mdc.mo.gov. I look forward to seeing you at the meeting.

Sincerely,

Jeff Briggler

Herpetologist
